

Salon

"a periodic gathering of people of social or intellectual distinction"

"a large room used for receiving guests"

"a fashionable assemblage of notables held by custom at the home"

February 28, 2009

7 p.m.

Lots of change in the wind, wondrous events to share
For those that missed the stories (or want more) about our grand trip last spring
bring tales of your own to tell.

Bring a snack to share.

Beverages provided or bring something interesting,

Tastings galore: wine, absinthe, port, etc etc etc

(Not beer this time, we got plenty)

Save Mar 28th for upcoming Salons.
