

Salon

"a periodic gathering of people of social or intellectual distinction"

"a large room used for receiving guests"

"a fashionable assemblage of notables held by custom at the home"

February 2, 2008

7 p.m.

. Take time out from a cold winter's night
and join us for a regular gathering of our favorite notables ☺.
This will be our **only** salon this winter season due to our sabbatical plans.

Bring a snack to share.
Bring your favorite travel quote.

Beverages (including absinthe☺) provided.
